English in the USA

New York

As the major business and cultural centre of the United States, New York is rightly proud of its leading role and long tradition in American history. From commerce to politics, ballet to sporting events, New York has it all.

LSI New York

Located on the Manhattan campus of the Metropolitan College of New York (MCNY) in SoHo, near the Financial District, LSI New York is at the very heart of this most cosmopolitan of cities. Facilities include a library, a lounge, and two computer labs with over 40 computers offering free internet access.

Leisure Programme

With its 24-hour buzz, excellent restaurants, museums and famous landmarks such as the Statue of Liberty and the Empire State Building, New York's cultural and entertainment possibilities are limitless, and this is reflected in our busy and varied social programme.

I like studying at LSI New York because I can make friends from all over the world and I get a lot of English practice. I think the teachers and methodology are very good.

Tammy Campos Di Calafiori, film actress, Brazil
